

MASTER OF SCIENCE (M.SC.) IN BUSINESS ADMINISTRATION AND ECONOMICS

INTERNATIONALISATION AND ECONOMIC POLICY

WHY CHOOSING INTERNATIONALISATION AND ECONOMIC POLICY?

- ▶ “Internationalisation and Economic Policy” considers **internationalisation dynamics** and the **international economic integration** with respect to **globalization** and its **effects on firms, NGOs and policy actors**.
- ▶ Economic topics as well as legal issues will be integrated.
- ▶ The combination with Econometrics gives a sound **basis for standard and advanced analysis**.
- ▶ Students will learn about empirical analysis and analyse important institutional aspects – including those of the digital knowledge economy.
- ▶ You can get a one year **service pa-**

ckage which includes accommodation, health insurance and welcome service (about 5.000 Euro).

- ▶ **Internships** at the institute EIIW (www.eiiv.eu) are available (limited availability).
- ▶ **Excursion to Brussels** (European Commission/ European Parliament) included.
